## EXCURSION REPORT – STONEY CREEK, FEBRUARY 2015

*Boyd Lenne*

I arrived at Stoney Creek hopeful that one of our resident experts would be in attendance. Needless to say I was overjoyed to find Bob Jago unfolding his tea table for a pre walk cuppa. We were soon joined by Coralie Stuart and Anne Mohun. Anne and I had both come from a Treeforce planting event that morning, so we felt very intrepid to make the extra mission to a SGAP event all afternoon. In no time at all we four were huddled under a small interpretive shelter chatting, and playing "how many trees can Bob name while sitting down over smoko".

The rain abated, and we were off. At the carpark I was interested in a striking prodigious orange fig with an attractive leaf and undulate leaf margin. Bob informed me this was the *Ficus virgata*, var. *virgata*. Trip trapping over the bridge, we saw the incredibly dainty *Maesa haplobotrys*, displaying fruit and flowers at all stages. Very attractive. The waters below were speckled with bright *Syzygium luehmannii* fruit.

Up the hill, and water was playing across the path. Bob demonstrated the *Rhodamnia spongiosa*, with its incredibly pronounced three veined leaf. Myrtaceae are not particularly known for their three veined leaf structure, and I mused about whether many of the FNQ Lauraceae displayed this structural diagnostic. Only 400 meters up the track, Bob was able to respond by handing me the leaf of a *Cryptocarya triplinervis*, the three veined Laurel.

Other fun discoveries were the attractive flowers of the *Polyscias purpurea*, and the striking *Lasianthus kurzii* or Blue Rubi. The area was laced with epiphytes and vines, including a heavily fruiting *Connarus conchocarpus*, or Shell Vine, a semi epiphytic

fern known as Ox Tongue, or *Antrophyum callifolium*, the silvery *Elaeagnus triflora*, or Milla Milla vine, and healthy clump of tassel fern *Phlegmariurus*.

There were a lot of other visitors encountered on the walk, considering the wet weather. Photographers, bathers, wandering guitar minstrels. All seemed in good spirits. I have always said, the best time to be in a rain forest is when it is raining. And rain it did! When we reached the end of the track at the weir, the heavens opened up properly. Lucky I still had my gumboots on from tree planting that morning. It rained for exactly the right amount of time for us to get completely soaked. Then it stopped.

We squelched our way back at pace then, but I couldn't resist wading back to the car park across the low ford under the bridge. All in all, a thoroughly enjoyable day in the tropical north.

*Dysoxylum setosum* (Span.) Miq.

*Lasianthus kurzii* Hook.f.

*Maesa haplobotrys* F.Muell. (flowers)

*Maesa haplobotrys* F.Muell. (fruits)

*Polyscias purpurea* C.T. White

Rain!!!

# SOCIETY FOR GROWING AUSTRALIAN PLANTS, CAIRNS BRANCH

---

## **ANNUAL GENERAL MEETING NOTIFICATION**

12 NOON, SUNDAY 15 MARCH 2015

**HOME OF LIZ LOVETT, AT 115 O'SHEA ESPLANADE MACHANS BEACH, BUT ACCESSED FROM MARSHALL ST, 4 HOUSES NORTH OF REDDEN CK BRIDGE, "HIDDEN BY TREES DESPITE ERGON'S CONSTANT EFFORTS".**

Bring \$10 for local branch subscription fees, lunch, water and a hat. New/prospective members welcome. The meeting will be followed by an inspection of the native vegetation on Redden Island (weather permitting). Any queries, please contact Stuart Worboys at worboys1968@yahoo.com.au or 07 4039 3842.

The AGM agenda is:

1. Opening of Meeting
2. Apologies
3. Confirmation of Minutes of previous Annual General Meeting
4. Presentation of Treasurer's statement
5. Election of New Executive
6. Vote of thanks to outgoing Executive
7. Determination of Annual Membership Fee
8. Other general business. Suggested items have included a discussion of excursion destinations, Botanic Gardens project actions.
9. Close

## **WHAT IS SGAP?**

The Society for Growing Australian Plants QLD Region is a non-professional organisation and is open to all persons interested in studying, growing and conserving Australian plants.

The Society for Growing Australian Plants (SGAP) was formed in 1957 for the purpose of studying and developing the horticultural potential of Australian native plants and preserving them through cultivation. With over 8,000 members throughout Australia, it is one of the largest horticultural societies in the country. SGAP has made a significant contribution to the knowledge of the Australian flora, its cultivation and introduction into nurseries and home gardens. The Society operates as autonomous regions based in each of the 6 Australian States and the Australian Capital Territory. There are autonomous regional headquarters in the capital cities of each state, as well as numerous branches throughout the country.

The Cairns Branch of SGAP was formed in 1980 to create interest in the cultivation of our native species in preference to exotic species. Monthly meetings and excursions are held together on the third Saturday of each month, usually at noon. Excursions visit interesting botanical areas as well as parks and private gardens. Species lists are compiled for all the sites visited. Our website can be found at [www.sgapcairns.org.au](http://www.sgapcairns.org.au)

New members are welcomed. For insurance purposes, all members must also be a member of the State Branch – see <http://www.sgapqld.org.au/mem.html> for more details and an application form.

# EXCURSION REPORT (CONTINUED FROM PAGE 3)

## Species List: Stoney Creek below Falls and Railway

Compiled by Rob Jago.

### Ferns and fern allies

#### ADIANTACEAE

- Adiantum atroviride* (Common Maidenhair Fern)
- Adiantum diaphanum* (Filmy Maidenhair Fern)
- Adiantum hispidulum* var. *hispidulum* (Rough Maidenhair Fern)
- Cheilanthes nudiuscula*
- Cheilanthes tenuifolia* (Rock Fern)

#### ANGIOPTERIDACEAE

- Angiopteris evecta* (King Fern)

#### ASPENIACEAE

- Asplenium nidus* (Birds Nest Fern)
- Asplenium simplicifrons* (Narrow Bird's Nest Fern)

#### ATHYRIACEAE

- Diplazium dietrichianum*
- Diplazium dilatatum*

#### BLECHNACEAE

- Blechnum cartilagineum* (Gristle Fern)
- Doodia media* (Rasp Fern)

#### CYATHEACEAE

- Cyathea cooperi* (Scaly Tree Fern)
- Cyathea rebecca* (Black Tree Fern)

#### DAVALLIACEAE

- Davallia denticulata*

#### DENNSTAEDTIACEAE

- Microlepia speluncae* (Cave Fern)

#### DRYOPTERIDACEAE

- Coveniella poecilophlebia*
- Lastreopsis wurunuran*
- Tectaria confluens*

#### HYMENOPHYLLACEAE

- Crepidomanes barnardianum*
- Crepidomanes saxifragoides*

#### LINDSAEACEAE

- Lindsaea brachypoda*

#### LYCOPODIACEAE

- Lycopodiella cernua* (Queensland Coral Fern)
- E Phlegmariurus dalhousieana* (Blue Tassel Fern)
- NT Phlegmariurus phlegmaria* (Common Tassel Fern)

#### NEPHROLEPIDACEAE

- Arthropteris palisotii*

- Nephrolepis biserrata*
- Nephrolepis obliterated*

#### OPHIOGLOSSACEAE

- Ophioglossum pendulum* (Ribbon Fern)

#### POLYPODIACEAE

- Colysis ampla*
- Drynaria rigidula* (Basket Fern)
- Drynaria sparsisora*
- Microsorium punctatum*
- Platycterium hillii* (Northern Elkhorn Fern)
- Platycterium superbum* (Staghorn)
- Pyrrosia longifolia*

#### PSILOTACEAE

- Psilotum nudum*

#### PTERIDACEAE

- Pteris ensiformis*
- Pteris tripartita* (Jungle Brake Fern)

#### SCHIZAEACEAE

- Lygodium reticulatum*

#### SELAGINELLACEAE

- Selaginella australiensis*

#### THELYPTERIDACEAE

- Amphineuron opulentum*
- Amphineuron terminans*
- Christella dentata*
- Cyclosorus interruptus*
- Macrothelypteris torresiana*

#### VITTARIACEAE

- Antrophyum callifolium* (Ox Tongue Fern)
- Vittaria elongata* (Tape Fern)

### Conifers and Cycads

#### ARAUCARIACEAE

- Agathis robusta* (Queensland Kauri Pine)

#### CYCADACEAE

- Cycas media* subsp. *banksii* (Cycad Palm)

#### PODOCARPACEAE

- Podocarpus grayae* (Weeping Brown Pine)

### Ancient Flowering Plants

#### ANNONACEAE

- Cananga odorata* (Woolly Pine; Ylang Ylang)
- Melodorum leichhardtii* (Acid Drop Vine)
- Melodorum uhrii*
- Milium horsfieldii* (Milium Beech)
- Polyalthia australis*
- Polyalthia nitidissima* (Canary Beech)

- Pseuduvaria mulgraveana* var. *glabrescens*

#### ARISTOLOCHIACEAE

- Aristolochia acuminata* (Native Dutchman's Pipe)

#### EUPOMATIACEAE

- Eupomatia barbata*
- Eupomatia laurina* (Wujigay)

#### LAURACEAE

- Beilschmiedia obtusifolia* (Blush Walnut; Hard Bollygum)
- Cryptocarya clarksoniana* (Clarkson's Laurel)
- Cryptocarya exfoliata*
- Cryptocarya hypospodia* (Northern Laurel)
- Cryptocarya laevigata* (Glossy Walnut)
- Cryptocarya mackinnoniana* (Rusty Laurel)
- Cryptocarya murrayi* (Murray's Laurel)
- Cryptocarya rhodosperma*
- Cryptocarya triplinervis* var. *riparia* (Brown Laurel)
- Cryptocarya vulgaris* (Northern Laurel)
- Endiandra cowleyana* (Northern Rose Walnut)
- Endiandra hypotephra* (Rose Walnut)
- Endiandra leptodendron* (Slender Walnut)
- Endiandra longipedicellata* (Buff Walnut)
- Lindera queenslandica*
- Litsea fawcettiana* (Bollywood)
- Litsea leefeana* (Bollywood)
- Neolitsea brassii*

#### MONIMIACEAE

- Steghanthera laxiflora* subsp. *laxiflora* (Tetra Beech)
- Wilkiea longipes*
- Wilkiea macrophylla*
- Wilkiea pubescens* (Tetra Beech)

#### MYRISTICACEAE

- Myristica globosa* subsp. *muelleri* (Nutmeg)

#### PIPERACEAE

- Piper caninum* (Native Pepper)
- Piper hederaceum* (Native Pepper)
- Piper macropiper* (Native Pepper)
- Piper umbellatum* var. *subpeltatum*

### Flowering plants – monocots

#### ARACEAE

*Epipremnum pinnatum* (Native Monstera)  
*Gymnostachys anceps* (Settler's Flax)  
*Pothos brownii* (Candle Vine; Guyu)

#### **ARECACEAE**

*Archontophoenix alexandrae* (Alexandra Palm)  
*Calamus australis* (Hairy Mary Lawyer Cane)  
*Calamus caryotoides* (Fishtail Lawyer Cane)  
*Calamus motii* (Wait-a-While Lawyer Cane)  
*Linospadix minor* (Walking Stick Palm)  
*Ptychosperma elegans* (Solitaire Palm)

#### **ASPARAGACEAE**

*Eustrephus latifolius* (Wombat Berry)  
*Cordyline cannifolia* (Palm Lily; Midgenbil)  
*Lomandra hystrix* (Creek Matrush)

#### **BROMELIACEAE**

\* *Ananas comosus* (Pineapple)

#### **CYPERACEAE**

*Cyperus multispiceus* (The Boulders Sedge)  
*Cyperus polystachyos subsp. laxiflorus*  
*Cyperus sphacelatus* (Roadside Flatsedge)  
*Scleria brownii*

#### **FLAGELLARIACEAE**

*Flagellaria indica* (Supplejack)

#### **HEMEROCALLIDACEAE**

*Dianella bambusifolia* (Flax Lily)

#### **HYPOXIDACEAE**

*Molineria capitulata* (Weevil Lily)

#### **MUSACEAE**

*Musa banksii* (Native Banana)

#### **ORCHIDACEAE**

*Corymborkis veratifolia* (White Cinnamon Orchid)  
*Dendrobium discolor* (Golden Orchid)  
*Dendrobium lichenastrum* (Common Button Orchid)  
*Dockrillia calamiformis* (Northern Pencil Orchid)

#### **PANDANACEAE**

*Freycinetia scandens*  
*Pandanus monticola* (Scrub Breadfruit)

#### **POACEAE**

*Cyrtococcum oxyphyllum*  
*Leptaspis banksii*  
*Oplismenus compositus* (Running Mountain Grass)

*Oplismenus mollis*  
\* *Paspalum conjugatum* (Sour Grass)  
*Themeda triandra* (Kangaroo Grass)

#### **SMILACEAE**

*Smilax australis* (Sarsaparilla Vine)

#### **ZINGIBERACEAE**

*Alpinia caerulea* (Native Ginger)  
*Hornstedtia scottiana* (Native Cardamon)

### **Flowering plants – dicots**

#### **ACANTHACEAE**

*Pseuderanthemum variabile* (Pastel Flower)

#### **ANACARDIACEAE**

*Blepharocarya involucrigera* (Rose Butternut)  
*Buchanania arborescens* (Satinwood) \* *Mangifera indica* (Mango)  
*Rhus taitensis* (Sumac)  
*Semecarpus australiensis* (Tar Tree)

#### **APOCYNACEAE**

*Alstonia muelleriana* (Hard Milkwood)  
*Alstonia scholaris* (Milky Pine; Jalnggan)  
*Alyxia ruscifolia* (Chain Fruit)  
*Hoya australis subsp. tenuipes* (Rainforest Wax Flower)  
*Hoya pottsii* (Native Hoya)  
*Ichnocarpus frutescens*  
*Marsdenia hemiptera* (Rusty Vine)  
*Marsdenia longipedicellata*  
*Melodinus acutiflorus* (Yappa Yappa)  
*Melodinus australis* (Bellbird Vine)  
*Parsonsia latifolia* (Milky Silkpod)  
*Parsonsia longipetiolata* (Green-leaved Silkpod)  
*Parsonsia velutina* (Velvet Silkpod)  
*Tylophora benthamii*  
*Wrightia laevis* (Millgar)

#### **ARALIACEAE**

*Polyscias australiana* (Ivory Basswood)  
*Polyscias elegans* (Celerywood)  
*Polyscias purpurea*  
*Schefflera actinophylla* (Umbrella Tree)

#### **ARGOPHYLLACEAE**

*Argophyllum lejourdanii*

#### **ASTERACEAE**

*Blumea mollis*  
\* *Pseudelephantopus spicatus*

#### **BALANOPHORACEAE**

*Balanophora fungosa* (Balanophora)

#### **BIGNONIACEAE**

*Neosepicaea jucunda* (Jucunda Vine)  
*Pandorea pandorana* (Wonga Vine)

#### **BURSERACEAE**

*Canarium vitiense*

#### **CAPPARACEAE**

*Capparis canescens*

#### **CARDIOPTERIDACEAE**

*Cardiopteris moluccana* (Blood Vine)

#### **CASUARINACEAE**

*Casuarina cunninghamiana* (River She Oak)

#### **CELASTRACEAE**

*Euonymus australiana*  
*Hippocratea barbata*  
*Salacia disepala*  
*Siphonodon membranaceus* (Ivorywood)

#### **CLUSIACEAE**

*Calophyllum sili* (Blush Touriga)  
*Garcinia warrenii* (Warren's Mangosteen)

#### **COMBRETACEAE**

*Terminalia sericocarpa* (Damson)

#### **CONNARACEAE**

*Connarus conchocarpus* (Shell Vine)  
*Rourea brachyandra* (Water Vine)

#### **CONVOLVULACEAE**

*Erycibe coccinea*  
*Lepistemon urceolatus*

#### **CUCURBITACEAE**

*Diplocyclos palmatus* (Native Bryony)

#### **DILLENIACEAE**

*Tetracera daemliana*  
*Tetracera nordtiana var. nordtiana* (Fire Vine)

#### **EBENACEAE**

*Diospyros hebecarpa* (Scrub Ebony)  
*Diospyros laurina* (Scrub Ebony)

#### **ELAEAGNACEAE**

*Elaeagnus triflora* (Milla Milla)

#### **ELAEOCARPACEAE**

*Aceratium megalospermum* (Bolly Carabeen)  
*Elaeocarpus bancroftii* (Kuranda Quandong)  
*Elaeocarpus grandis* (Silver Quandong)  
*Sloanea langii* (White Carabeen)

#### **EUPHORBIACEAE**

*Alchornea rugosa*  
*Aleurites rockinghamensis* (Candlenut)  
*Claoxylon hillii* (Hill's Brittlewood)  
*Codiaeum variegatum var. moluccanum*

*Homalanthus novoguineensis* (Native Bleeding Heart)  
*Macaranga involucreta* var. *mallotooides* (Brown Macaranga)  
*Macaranga subdentata* (Needlebark)  
*Macaranga tanarius* (Blush Macaranga)  
*Mallotus paniculatus* (Turn-in-the-wind)  
*Mallotus philippensis* (Red Kamala)  
*Mallotus polyadenos* (Kamala)  
*Mallotus repandus*  
*Rockinghamia angustifolia* (Kamala)  
*Tragia finalis*  
*Vetria australiensis*

#### FABACEAE

*Abrus precatorius* (Gidee Gidee)  
*Acacia celsa* (Black Wattle)  
*Adenanthera pavonina* (False Red Sandalwood)  
*Albizia procera* (Forest Siris)  
*Archidendron hendersonii*  
*Archidendron lucyi* (Scarlet Bean)  
*Austrosteenisia blackii* var. *blackii* (Blood Vine)  
*Austrosteenisia stipularis* (Northern Blood Vine)  
*Castanospermum australe* (Black Bean)  
 \* *Centrosema molle* (Centro)  
*Derris koolgibberah*  
*Derris* sp. (Claudie River L.J. Webb + 8348)  
*Derris* sp. (Daintree D. E. Boyland + 469)  
 \* *Mimosa pudica* var. *hispida* (Common Sensitive Plant)  
*Mucuna gigantea* (Burny Bean)  
*Pararchidendron pruinatum* (Tulip Siris)  
*Paraserianthes toona* (Acacia Cedar)  
*Rhynchosia acuminatissima*

#### GESNERIACEAE

*Boea hygroskopica*

#### ICACINACEAE

*Gomphandra australiana* (Buff Beech)

#### LAMIACEAE

*Faradaya splendida* (October Glory)  
 \* *Hyptis capitata* (Knobweed)

#### LOGANIACEAE

*Strychnos minor* (Snakewood)

#### MALVACEAE

*Argyrodendron peralatum* (Red Tulip Oak)  
*Argyrodendron polyandrum* (Brown Tulip Oak)

*Brachychiton acerifolius* (Flame Tree)  
*Trichospermum pleiostigma* (Whitfield Ash)

#### MELASTOMATACEAE

*Medinilla balls-headleyi* (Medinilla)

#### MELIACEAE

*Aglaia sapindina* (Boodyarra)  
*Chisocheton longistipitatus* (Cream Mahogany)  
*Dysoxylum alliaceum* (Buff Mahogany)  
*Dysoxylum arborescens* (Mossman Mahogany)  
*Dysoxylum gaudichaudianum*  
*Dysoxylum mollissimum* subsp. *molle* (Red Bean)  
*Dysoxylum oppositifolium* (Pink Mahogany)  
*Dysoxylum papuanum* (Spice Mahogany)  
*Dysoxylum parasiticum* (Yellow Mahogany)  
*Dysoxylum pettigrewianum* (Spur Mahogany)  
*Dysoxylum setosum* (Miva Mahogany)  
*Melia azedarach* (White Cedar)

#### MENISPERMACEAE

*Carronia protensa*  
*Hypserpa decumbens*  
*Hypserpa laurina*  
*Pycnarrhena novoguineensis*

#### MORACEAE

*Ficus albipila*  
*Ficus benjamina* Weeping Fig  
*Ficus congesta* var. *congesta* (Red Leaf Fig)  
*Ficus copiosa* (Fig-of-plenty)  
*Ficus drupacea*  
*Ficus hispida* (Hairy Fig)  
*Ficus microcarpa* (Small-fruited Fig)  
*Ficus mollior*  
*Ficus opposita* (Sandpaper Fig)  
*Ficus pantoniana* var. *pantoniana* (Climbing Fig)  
*Ficus racemosa* var. *racemosa* (Cluster Fig)  
*Ficus septica* (Septic Fig)  
*Ficus variegata* var. *variegata* (Variegated Cluster Fig)  
*Ficus virens* var. *virens* (White Fig)  
*Ficus virgata* var. *virgata* (Figwood)  
*Maclura cochinchinensis* (Cock Spur Vine)  
*Streblus brunonianus*  
*Trophis scandens* (Crow Ash Vine)

#### MYRTACEAE

*Acmena hemilampra* subsp. *hemilampra* (Blush Satinash)  
*Acmenosperma claviflorum* (Trumpet Satinash)  
*Corymbia tessellaris* (Moreton Bay Ash)  
*Corymbia torelliana* (Cadaghi)  
*Decaspermum humile* (Brown Myrtle)  
*Gossia bidwillii*  
*Gossia myrsinocarpa* (Malanda Ironwood)  
*Lophostemon suaveolens* (Swamp Mahogany)  
*Rhodamnia sessiliflora* (Iron Malletwood)  
*Rhodamnia spongiosa* (Northern Malletwood)  
*Rhodomyrtus macrocarpa* (Finger Cherry)  
*Syzygium angophoroides* (Yarrabah Satinash)  
*Syzygium cormiflorum* (Bumpy Satinash)  
*Syzygium kuranda* (Kuranda Satinash)  
*Syzygium luehmannii* (Cherry Satinash)  
*Syzygium tierneyanum* (Creek Satinash)

#### NYCTAGINACEAE

*Pisonia umbellifera* (Cabbagewood)

#### OLEACEAE

*Chionanthus ramiflora* (Native Olive)  
*Jasminum didymum* subsp. *didymum* (Native Jasmine)  
*Jasminum elongatum* (Native Jasmine)  
*Olea paniculata* (Native Olive)

#### PASSIFLORACEAE

*Adenia heterophylla* subsp. *heterophylla* (Lacewing Vine)

#### PHYTOLACCACEAE

\* *Rivina humilis* (Coral Berry)

#### PHYLLANTHACEAE

*Bischofia javanica* (Java Cedar)  
*Breynia cernua* (Fart Tree)  
*Bridelia insulana* var. *insulana* (Grey Birch)  
*Cleistanthus apodus* (Weeping Cleistanthus)  
*Cleistanthus semiopacus* (Rusty Cleistanthus)  
*Glochidion harveyanum* var. *harveyanum* (Harvey's Buttonwood)  
*Glochidion philippicum* (Buttonwood)  
*Glochidion sumatranum* (Buttonwood)  
*Phyllanthus clamboides*

*Phyllanthus cuscutiflorus* (Pink Phyllanthus)  
*Phyllanthus nova-hollandiae*

#### **PITTOSPORACEAE**

*Bursaria tenuifolia* (Slender Bursaria)  
*Pittosporum ferrugineum* subsp. *linifolium* (Rusty Pittosporum)  
*Pittosporum rubiginosum* (Red Pittosporum)

#### **POLYGALACEAE**

*Xanthophyllum octandrum* (MacIntyre's Boxwood)

#### **PRIMULACEAE**

*Ardisia brevipedata* (Ardisia)  
*Maesa haplobotrys*  
*Myrsine porosa*  
*Myrsine subsessilis* subsp. *cryptostemon*

#### **PROTEACEAE**

*Cardwellia sublimis* (Northern Silky Oak)  
*Carnarvonia arallifolia* var. *arallifolia* (Caledonian Oak)  
*Darlingia darlingiana* (Brown Silky Oak)  
*Grevillea baileyana* (Findlay's Silky Oak)  
*Helicia australasica*  
*Helicia nortoniana* (Norton's Silky Oak)

#### **RHAMNACEAE**

*Alphitonia excelsa* (Red Ash)  
*Alphitonia oblata* (Hairy Sarsaparilla)  
*Rhamnella vitiensis*  
*Ventilago ecorollata*

#### **RHIZOPHORACEAE**

*Carallia brachiata* (Corky Bark)

#### **ROSACEAE**

*Rubus probus* (Wild Raspberry)

#### **RUBIACEAE**

*Antirhea tenuiflora* (Crimson Berry)  
*Atractocarpus fitzalanii* subsp. *fitzalanii* (Brown Gardenia)  
*Hedyotis auricularia* var. *melanesica*  
*Ixora timorensis* (Native Ixora)  
*Lasianthus kurzii* var. *kurzii* (Blue Rubi)  
*Neonauclea glabra* (Hard Leichhardt)  
*Ophiorrhiza australiana* subsp. *australiana*

*Psychotria dallachiana*  
*Tarenna dallachiana* subsp. *dallachiana* (Tree Ixora)  
*Timonius timon* var. *timon*

#### **RUTACEAE**

*Bosistoa brassii*  
*Flindersia brayleyana* (Queensland Maple)  
*Flindersia iffaiana* (Cairns Hickory Ash)  
*Melicope elleryana* (Evodia)  
*Melicope xanthoxyloides* (Yellow Evodia)  
*Zanthoxylum nitidum*

#### **SALICACEAE**

*Casearia dallachii* (Dallachy's Silver Birch)  
*Casearia grewiaefolia* var. *gelonioides*  
*Casearia* sp. (*Mission Beach B. Hyland RFK 773*)  
*Homalium circumpinnatum* (Brown Boxwood)  
*Scolopia braunii* (Flintwood)

#### **SAPINDACEAE**

*Alectryon tomentosus* (Red jacket)  
*Aryterya divaricata* (Rose Tamarind)  
*Aryterya pauciflora* (Pink Tamarind)  
*Castanospora alphanthii* (Brown Tamarind)  
*Cupaniopsis flagelliformis* (Brown Tuckeroo)  
*Cupaniopsis foveolata* (White Tamarind)  
*Diploglottis diphylostegia* (Wild Tamarind)  
*Elatostachys microcarpa* (Scrub Tamarind)  
*Ganophyllum falcatum* (Daintree Hickory)  
*Guioa acutifolia* (Glossy Tamarind)  
*Harpullia pendula* (Tulipwood)  
*Harpullia rhyticarpa*  
*Lepiderema sericolignis* (Scrub Tamarind)  
*Mischocarpus grandissimus* (Giant leaf Tamarind)  
*Mischocarpus lachnocarpus* (Woolly Tamarind)  
*Rhysotoechia robertsonii* (Robert's Tuckeroo)

*Sarcopteryx martyana*  
*Synima cordierorum* (Synima)  
*Toechima daemelianum*  
*Toechima erythrocarpum* (Pink Tamarind)

#### **SAPOTACEAE**

*Niemeyera prunifera* (Milky Plum)  
*Palaquium galactoxylum* (Cairns Pencil Cedar)  
*Planchonella chartacea* (Dugulla)  
*Planchonella myrsinodendron* (Yellow Boxwood)

#### **SYMPLOCACEAE**

*Symplocos puberula* (White Hazelwood)

#### **THYMELAEACEAE**

*Lethedon setose*  
*Phaleria octandra* (Dwarf Daphne)

#### **ULMACEAE**

*Aphananthe philippinensis* (Native Elm)  
*Celtis paniculata* (Silky Celtis)  
*Trema orientalis* (Poison Peach Tree)

#### **URTICACEAE**

*Dendrocnide moroides* (Gympi Gympi Stinger)  
\* *Pilea microphylla* (Artillery Plant; Military Fern)  
*Pipturus argenteus* (Native Mulberry)

#### **VERBENACEAE**

\* *C3 Lantana camara* (Lantana)  
\* *Stachytarpheta cayennensis* (Snakeweed)  
\* *Stachytarpheta mutabilis* (Pink Snakeweed)

#### **VIOLACEAE**

*Rinorea bengalensis*

#### **VITACEAE**

*Cayratia japonica* (Native Grape)  
*Cissus oblonga* (Smooth Water Vine)  
*Cissus vinosa* (Purple Leaf Grape)  
*Leea indica* (Bandicoot berry)  
*Tetrastigma nitens* (Shining Grape)  
*Tetrastigma thorsborneorum* (Thorsborne's Grape)

## WHAT'S HAPPENING...

### *Cairns SGAP*

Meetings and excursion on 3<sup>rd</sup> Sunday of the month

12 noon, Sunday 15 March.  
Annual General Meeting at the home of Liz Lovett, 115 O'Shea Esplanade, Machans Beach, but accessed from Marshall St, 4 houses north of Redden Creek bridge (see map)/ AGM followed by walk to Redden Island (weather permitting).

Bring lunch, water and comfortable walking shoes.

### *Tablelands SGAP*
